## 4. SIGNATURE (Account owner or authorized individual must sign and date.)

By signing below, you:

- Affirm that the beneficiary information provided on this form replaces any prior beneficiary information that may be on record for the indicated account(s).
- Acknowledge that, if you check "per stirpes," that any share otherwise payable to a beneficiary shall instead be paid to that beneficiary's surviving descendants by right of representation if the original beneficiary does not survive the account owner.
- Acknowledge that "per stirpes" creates a category of beneficiaries (for example, the children of a beneficiary), and therefore may end up including individuals not yet born or adopted.
- Acknowledge that listing beneficiaries by name does NOT create a category of beneficiaries, and that if you later want to include other beneficiaries, you will need to submit a new beneficiary form.
- Agree that Forge Trust Co. has no obligation to locate or notify any beneficiary or to independently verify any information submitted by any person claiming an interest in your account.
- Acknowledge that if you do not provide percentages, the account will be divided equally among primary or contingent beneficiaries, as applicable.
- Acknowledge that if you do not properly name a beneficiary, or no beneficiary survives you, your beneficiary will be your spouse or, if you are not married, your estate in accordance with the rules of succession in the Plan Document.
- Acknowledge that if you are married and live in a community property state (Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Texas, Washington, and Wisconsin) and you designate anyone other than your spouse as beneficiary, your designation cannot be accepted without your spouse's notarized signature in Section 5.
- Agree that if your beneficiary allocation totals at least 99%, but less than 100% (e.g., 3 named beneficiaries are each assigned a 33% interest in the account), Forge Trust Co. will assign the unallocated remainder to the first named beneficiary.
- Agree that when your assets are distributed to your beneficiaries, fractional shares that cannot be distributed in accordance with your instructions will instead be given to the beneficiary receiving the largest percentage of the account's assets or, if each beneficiary is receiving an equal percentage, to the last paid beneficiary.

This requires that you assure yourself of the financial soundness and appropriateness of the investment for your account and retirement objectives.
- **ACCOUNT FEES** You have agreed, by opening an account with Forge Trust Co., to pay all fees and charges that are made against your account. Forge Trust Co. will advise you of any fees due and unpaid with your quarterly account statement. These fees are due upon presentment and if no cash is available in your account, Forge Trust Co. may liquidate assets within the account to satisfy these obligations.

After allowing you to correct the deficiencies, Forge Trust Co., at its sole discretion, will determine the sufficiency of the information and if insufficient, distribute the account assets to you. Future changes in Internal Revenue Service regulations or other laws and regulation may require further action by you to allow Forge Trust Co. to continue to maintain any specific asset within your account.

- **SELF-DIRECTED INVESTMENTS** Neither Forge Trust Co., its employees or agents, nor any affiliate of Forge Trust Co. has recommended or directed any specific investment for your consideration. Neither Forge Trust Co., its employees or agents, nor any affiliate of Forge Trust Co. has acted in the capacity as an investment advisor or broker-dealer of any purchase or sale of an investment of a security for you, though with your direction Forge Trust Co. may purchase or sell a publicly-held security on your behalf, either directly or through any affiliate or entity that receives a commission for such a transaction.
- **ASSET PERFORMANCE** The performance of your investment selection, any gain, loss or income, will also be your sole responsibility. Forge Trust Co. is in no way responsible for, or liable for the performance or results of your investments.
- **NON-ENDORSEMENT** Forge Trust Co. does not endorse any investment made by you, or provide any investment advice to you about your investments. Forge Trust Co.'s review of investments is for the sole benefit of Forge Trust Co. for the purpose of determination of administrative and legal feasibility of the investment and should not be construed as an endorsement or opinion of any investment, investment company, or investment strategy. Forge Trust Co. does not endorse any broker, financial advisor, investment advisor, or other party involved with the investments chosen by you. You understand it is your duty to perform proper and full due diligence with regard to any such broker, financial advisor, investment advisor or other party.
- **NO DUTY TO INVESTIGATE INVESTMENTS** Forge Trust Co. holds no duty or obligation to investigate any investment. Forge Trust Co. is under no duty or obligation to examine, observe, verify title to or otherwise evaluate any potential investment considered or authorized by you, nor is it the duty of Forge Trust Co. to obtain or maintain any insurance coverage with respect to any asset or investment purchased by you. Forge Trust Co. is under no obligation or responsibility to take action should there be any default regarding your investment or account.
- **NO DUTY TO REVIEW INVESTMENTS** You understand and acknowledge that you have the sole responsibility for any taxes, penalties or other fees and/or expenses associated with your actions or inactions. It is your sole responsibility and duty to review the merits, legitimacy, or viability of any investment you make. It is not Forge Trust Co.'s responsibility to review merits, legitimacy, or viability of any investment made by you; nor is it the duty of Forge Trust Co. to determine whether the investment is acceptable under ERISA, the Internal Revenue Code or any other applicable state or federal law. You understand and acknowledge that certain transactions are prohibited in self directed individual retirement accounts as outlined in Section 4975 of the Internal Revenue Code. Further, you understand that prohibited transactions depend on the facts and circumstances that surround the particular transaction. Forge Trust Co. is under no obligation to investigate, determine or inform you whether an investment is prohibited. You understand and acknowledge that you are responsible for determining that any investment you make complies with all relevant statutes, rules and regulations, and laws.
- **NON-FDIC-INSURED INVESTMENTS** Your investments are non-FDIC-insured and subject to loss in value. Your investments may involve a substantial risk, may lack liquidity, and may result in a total loss of the investment. You acknowledge and confirm that all risk and loss sustained in your Retirement Account will not affect your retirement income standard; and if a mandatory distribution arises, that you will meet any mandatory distribution requirements by utilizing your IRA and/or other retirement accounts.

## 3. VALUATION

- **ANNUAL VALUATION** If Forge Trust Co. is unable to obtain an annual valuation for any asset within your account, you will ensure that an annual statement of the fair market value is provided to Forge Trust Co. in a timely manner.
- **THIRD PARTY VALUATION** Forge Trust Co. will require a third-party fair market valuation at the time of any taxable distribution, such as a Roth conversion, account holder distribution or required minimum distribution. You will ensure that a licensed professional (CPA, appraiser, etc) knowledgeable about the particular investment will provide such a valuation.

## 4. UNRELATED BUSINESS TAXABLE INCOME (see IRS Publication 590 for further information)

- If your IRA conducts an active trade or business, or invests in a partnership or limited liability company (LLC) taxed as a partnership that conducts an active trade or business, or if the IRA or a partnership or LLC taxed as a partnership in which the IRA invests realizes investment gains through debt-financing, the IRA may have

“unrelated business taxable income (UBTI).”

- Unrelated business taxable income, net of any allowable deductions, in excess of \$1,000 in any year may be taxable to your IRA. Applicable taxes are an expense of your IRA and must be paid with IRA funds. Forge Trust Co. may, at its sole discretion, liquidate any assets in your IRA to pay such taxes if Forge Trust Co. is notified of a tax deficiency by the IRS. You agree and acknowledge that assets will be liquidated as selected by Forge Trust Co. Subject to the contribution rules and limits, you may be able to contribute funds to your IRA to pay taxes in order to avoid liquidation of an asset. For any year that your IRA has unrelated business taxable income, before deductions, of more than \$1,000, you must prepare or have prepared on your behalf any required tax returns or forms, both Federal and State, including Internal Revenue Service Form 990-T. Forge Trust Co. is not responsible for preparing any return. You agree to prepare or have prepared these required Federal and state tax forms and submit all necessary forms to Forge Trust Co. for filing at least ten (10) days prior to the date on which they are due. Your account must have enough cash to pay the taxes, if any.

## 5. PROHIBITED TRANSACTIONS (see IRS Publication 590 for further information)

You understand and acknowledge that should you direct your self-directed individual retirement account(s) to engage in a prohibited transaction the account will incur a taxable distribution as well as possible penalties. Prohibited transactions are defined in IRC 4975. You acknowledge to Forge Trust Co. and confirm that you have consulted with, and in each successive investment will again consult with, your own legal and accounting advisor(s) to ensure that the investment(s) you make does not constitute a prohibited transaction, and that the investment(s) you make complies with all applicable federal and state laws, regulations and requirements, including but not limited to you determining that each interested entity and/or individual in your investment is not a disqualified person under IRC 4975 (e) (2), nor a “party in interest” as defined in ERISA Section 3(14).

You understand and acknowledge that your IRA can lose its exemption from federal income tax if the individual establishing the IRA or an IRA beneficiary engages in a “prohibited transaction.” If any other “disqualified person” engages in a prohibited transaction with your IRA, he or she will be subject to an excise tax equal to 15% of the amount involved each year until the transaction is corrected.

A Disqualified Person may be any of the following:

- You, the owner of the plan (IRA);
- A member of your family (i.e., your spouse, ancestors, lineal descendants and their spouses);
- The custodian of the plan;
- Any person providing services or is a fiduciary to the plan;
- Any corporation, partnership, trust, or estate in which you own (either direct or indirect) 50% or more;
- An officer, director, 10% or more shareholder, or highly compensated employee of the 50% or more owned entity described above.

Prohibited transactions generally include, but are not limited to, any direct or indirect:

- Sale, exchange or lease of any property between the IRA and disqualified person;
- Lending of money or any other extension of credit between the IRA and a disqualified person;
- Furnishing of goods, services or facilities between the IRA and a disqualified person;
- Transfer to or use for the benefit of a disqualified person the income or assets of the IRA;
- Act by a disqualified person who is a fiduciary whereby he or she deals with the income or assets of the IRA in his or her own interest or for his or her own account; and,
- Receipt of any consideration for the personal account of any disqualified person who is a fiduciary dealing with the IRA in connection with a transaction involving the income or asset of the IRA.

If the IRA loses its tax exemption because of a prohibited transaction, the fair market value of the IRA assets (net of any nondeductible contributions remaining in the IRA) as of the first day of the year of the transaction must be included in your gross income for the taxable year in which the loss of exemption occurs. If this takes place before you have attained age 59½, you will also be subject to the 10% premature distribution penalty tax on the amount so included in gross income unless there is an applicable exception. If you pledge any part of your IRA as security for a loan, the part so pledged will be treated as a distribution in the taxable year in which the pledging occurs and will be taxed accordingly.

## 6. ADDITIONAL DISCLOSURES (Please refer to the Custodial Agreement for additional information about your account)
