Contact Center: (800) 248-8447 | www.ForgeTrust.com

Complete this form if you wish to take a distribution of your funds and/or assets. Please consult your tax advisor to determine tax consequences, if any, as a result of taking a distribution. For current year distributions, you must submit this by December 1st. A Form 1099-R will be issued to you for the tax year in which you take a distribution. All 1099-Rs are mailed by January 31st of the following year.

Check this box for PRIORITY PROCESSING (1-2 business days).

Priority Processing fee of \$250 will apply if selected. Normal Processing will take 3-5 business days if in good order.

3. DISTRIBUTION METHOD

IMPORTANT: You must have sufficient funds in your custodial cash account to cover the distribution amount, the withholding amount (if applicable), plus any transaction fees, outstanding fees, and your minimum balance requirement if applicable. (We wouldn't hold the minimum cash balance on a closure). Having insufficient funds will delay your distribution. If sufficient cash is not available in the custodial cash account, please complete and attach a LIQUIDATION REQUEST form for an Alternative Investment.

Prior to releasing your funds we may contact you for verbal confirmation of these instructions.

Full Distribution - Close My Account

All assets will be distributed in-kind via a re-registration and/or assignment at the current known value unless liquidation instructions are provided below or by attaching a Liquidation Request form. Liquidation, re- registration, and/or assignment fees may apply. An account termination fee will apply.

I elect to be invoiced for the account closure fees to allow me up to 5 days to pay by debit or with credit card online rather than use the available cash in my account. I understand I will receive an email to notify me once the fees have been assessed before I can pay online. If I do not pay within 5 days, and I have available cash, the fees will sweep from cash to proceed with my request.
