Use this form to buy or sell publicly traded securities such as Mutual Funds, Money Market Funds, Equities, Government Securities, Fixed Income, Brokered CD, and ETFs. As used herein, "Custodian" refers to Forge Trust Co., and "Administrator" refers to Forge Services, Inc. Please note, positions held in your Forge Trust account are priced periodically, not in real-time. A fee will apply per trade; refer to the Fee Schedule & Financial Disclosure.

Important Information:

- **All Mutual Fund trades are submitted through Matrix Settlement and Clearing Services, LLC and automatically set up for dividend reinvestment. An additional $25 outgoing wire fee will apply on purchases.**
- **All Non-Mutual Fund trades are submitted through Morgan Stanley Smith Barney LLC and automatically set up for cash dividends.**
- **It can take 1-3 business days for trades to be executed from when the form is received in good order.**
- **Trades are submitted as market orders. Orders will be executed at prevailing market prices at the time the order is processed by the executing broker, not at the time your request is submitted or received.**
- **You acknowledge that market prices may fluctuate materially between the time of submission and execution. Execution prices are not guaranteed, and you accept all market risk associated with such trades. The Custodian and Administrator do not control intraday timing of execution and make no representation or guarantee regarding the timing, price, or availability of any trade.**
- **I acknowledge Forge Trust Co. may contact me for verbal confirmation of my request, at Forge Trust Co.'s discretion, which may cause delays if I cannot be reached at the phone number(s) on record.**

☐ Invoice My Fees: I elect to be invoiced any applicable fees to pay online, via credit card or ACH. If enrolled in automatic payments, no additional action is required; otherwise, I understand I will have 5 days to make a one-time payment.
